

HOW YOU CAN HELP

At the Shukrana Foundation, we offer many ways to help out beyond donating.

Some examples include:

- Fundraise
- Take surveys
- Give feedback
- Report schools/areas in need
- Social media help
- Subscribe to our newsletter
- Travel volunteer
- Join us

About Us

We are a Canadian charity that works to provide and support education in India and Peru. We also help people affected by natural disasters all over the world.

We are a small, “family” charity. Our small teams runs our foundation with passion, kindness and the desire to make the world a better place.

OUR STORY

Our charity was founded by Darshan Arora, whose life-long dream was to create a foundation that provides education for underprivileged children.

He worked hard to get the charity registered by Canada Revenue Agency. We became officially established in 2014.

The Shukrana Foundation relies on support from family, friends, and volunteers.

The founder’s grandchildren are prepared to carry on the charity’s work in the future.

We helped fund this computer lab for a school in India

SPARKING PASSION

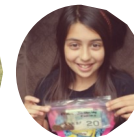

We do more than international outreach.

Our foundation recruits youth to get involved at a young age, sparking interest and excitement to create generations of volunteers.

We work to educate younger children here in Canada about what’s going on in the world and how they can help.

Through fundraising, donating, taking surveys and other activities, kids are experiencing the joys of giving back to their community, while creating important life experiences that will stay with them forever.

When you support our events, you’re encouraging kids to keep helping.

100% of fundraising money received was from kids in 2015!
